VIDEO RECORDING DETAILS

I confirm that the video at this link is a complete, unedited, single video recording (minimum 20 minutes, maximum 45 minutes) of me presenting a specific presentation to a live, paying audience or an audience of a fee-paying client*. This presentation is part of the information that I have included on my APSS CSP Income and Work Summary spreadsheet.

** Note: If you include a video from a presentation you made at an APSS event such as the Annual Convention or Speakers Academy, you must also include this on your APSS CSP Income and Work Summary Spreadsheet and put 0* in the fee column, with the asterisk indicating that this event is for an APSS paid-ticket event for audience members.*

Applicant's name _____

Presentation title _____

Link to recording _____
(This must be a clickable link directly to the video)

In our updated CSP® criteria, this is one of the new requirements:

> *The video must include an **introduction slide at the beginning of the video** or a **completed video recording details form** identifying the context of the presentation, e.g. Who was the presentation for? On what date was it given? Who was in the audience?*

(Please tick)

☐ I have included an introduction slide at the beginning of the video.

☐ I prefer to state the relevant details on this form in the section below:

Presentation title _____

Who was the presentation for? _____

Presentation date _____

Who was in the audience? _____

Note: For applicants sending a video clip from a longer presentation, please include any other information regarding the context of your video, if necessary, e.g. is your video clip at the beginning/middle/end of your presentation, plus any preceding material referenced that reviewers need to understand your excerpt.
