VIDEO RECORDING DETAILS

I confirm that the video at this link is a complete, unedited, single video recording (minimum 20 minutes, maximum 45 minutes) of me presenting a specific presentation to a live, paying audience or an audience of a fee-paying client*. This presentation is part of the information that I have included on my APSS CSP Income and Work Summary spreadsheet.

** Note: If you include a video from a presentation you made at APSS Raise Your Game or an APSS Annual Convention, you must also include this on your APSS CSP Income and Work Summary Spreadsheet and indicate 0 in the fee column.*

Applicant's name _____

Presentation title _____

Link to recording _____
(This must be a clickable link directly to the video)

In our updated CSP® criteria, this is one of the new requirements:

> *The video must include an **introduction slide at the beginning of the video** or a **completed video recording details form** identifying the context of the presentation, e.g. Who was the presentation for? On what date was it given? Who was in the audience?*

(Please tick)

☐ I have included an introduction slide at the beginning of the video.

☐ I prefer to state the relevant details on this form in the section below:

Presentation title _____

Who was the presentation for? _____

Presentation date _____

Who was in the audience? _____

Note: For applicants sending a video clip from a longer presentation, please include any other information regarding the context of your video, if necessary, e.g. is your video clip at the beginning/middle/end of your presentation, plus any preceding material referenced that reviewers need to understand your excerpt.
